Hon. Richard Coke. Though Texas has men who could ably represent her in the senate, it is safe to assert that there is no one who could have discharged that high trust in the part with more zeal, fidelity and patriotism than he whose term of service will soon expire. Of the interest of the coast, the frontier and laboring masses, who have to bear the burthens of state, he has been alike mindful. He is no new man. For thirty years he has new man. For thirty years he has been identified with Texas. She has

mew man. For thirty years he has been identified with Texas. She has more than once honored him and in return he has served her well. But sir, to zeal and patriotism he adds that virtue of rightly understanding and boldly proclaiming the limitations of the written constitution. A Jeffersonian Democrat of the strictest type, he has always opposed the tendency to centralization of power as a thing as pernicious in not leased.
